

SuperSpeed Gen 2 Double Sided USB-C Female to USB 3.0 Male Mini Adapter

Built in Chipset to provide Double Sided 10Gbps regardless of the USB-C cable insertion orientation, Anodized Aluminum Housing

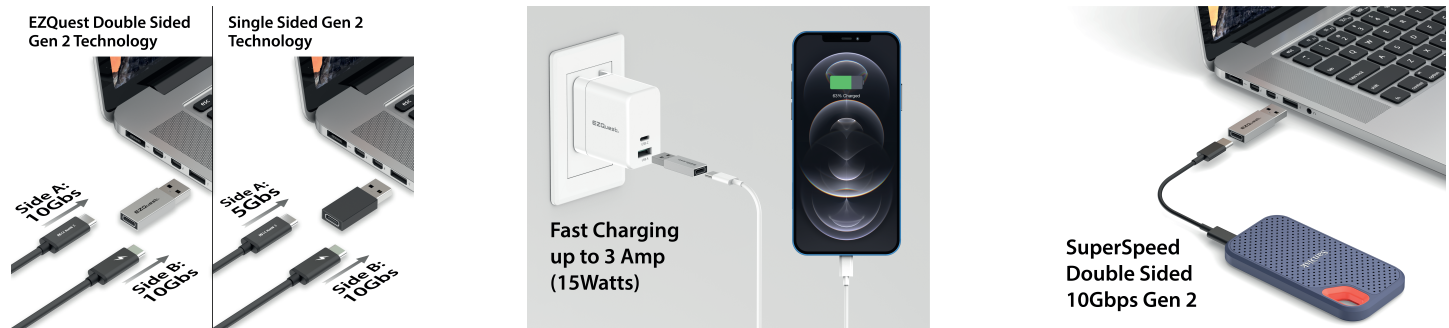

- Double Sided Guarantees 10Gbps Gen 2 regardless of the USB-C cable insertion orientation to our adapter, compared to single sided adapters, which provide 5Gbps in one orientation and 10Gbps in another orientation
- Convert your existing USB-C Gen 2 cable into a USB-A 10Gbps Gen 2
- Convert your existing USB-A Gen 2 computer port into a USB-C 10Gbps Gen 2
- Fast Data Transfer of USB-C or USB 3.0 10Gbps data transfer speed (Does not Support video signal transmission)
- Fast Charging up to 3 Amps of output current
- Plug & Play OTG adapter with no additional driver/software needed
- Super durable aluminum connector housing with anodized finish to prevent scratches
- Small, compact, and ready for travel

Convert USB-C Gen 2 to USB 3.0 Gen 2

The EZQuest Super Speed USB-C Gen 2 Double Sided Female to USB 3.0 Male Mini Adapter Gen 2 lets you convert your USB-C Gen 2 cable to USB-A Gen 2 so your external SSD Gen 2 drive or USB-C flash drive can function at the same speed of USB-C Gen 2 when connected to a USB 3.0 Gen 2 port. This adapter is perfect for any device such as a USB-C flash drive, mouse, keyboard, or printer to connect to any computer with USB-C, thunderbolt 3 or 4 or computer with USB 3.0 ports. The EZQuest Super Speed USB-C Gen 2 Female to USB 3.0 Male Mini Adapter Gen 2 lets you charge/sync your iPhone, iPad, or smartphone to a USB-C, thunderbolt 3 or 4 or computer with USB 3.0 ports.

Double Sided versus Single Sided

Double Sided Guarantees 10Gbps Gen 2 regardless of the USB-C cable insertion orientation to our adapter, compared to single sided adapters, which provide 5Gbps in one orientation and 10Gbps in another orientation.

Compatible with OTG Devices

Now you can access information from your USB 3.0 hard drives, and other devices with USB 3.0 or 2.0 to your USB-C ready devices with OTG support such as smartphones and tablets.

Strong, Anodized Aluminum Connector Housing

Sleek and durable aluminum connector housing with anodized finish that adds strength and prevents scratching.

Specification:

- Part Number: X40067
- UPC Code: 694307400672
- Color: Space Gray
- Connectors: Gen 2 USB-C Female and USB 3.0 Gen 2 Male

- USB Compatibility: USB-C Gen 2, USB 3.0 Gen 2, USB 2.0
- Dimension: 38.5 x 13.2 x 5.8mm
- Housing Material: Anodized Aluminum
- One (1) year limited warranty

Compatibility:

- All the Mac computers with USB-C, Thunderbolt 3/4
- Google Chromebook Pixel
- USB-C ready computers/devices
