

# DuraGuard® USB-C to USB-C Charge and Sync Cable (1.2 or 2.2 Meter)

100 Watts, 50,000 bends lifespan, Kevlar® Reinforced, Nylon Braided, Strain Relief and Aluminum Connector Housing

- Reinforced with Kevlar® that wraps around the outer cable as well as through the center of each inner cables core
- Nylon braided outer sheath, strain relief and strong aluminum connector housings
- Built in E-Mark Chipset with 5Amp Cable
- Engineered for extreme durability and heavy everyday use that can withstand any twist, tug or tangle with 50,000 bends lifespan
- Up to 100W Power Delivery high-speed charging for all of your USB-C devices when paired with a USB-C charger. (Charger not included)
- Made with USB-IF components for flawless compatibility with all USB-C devices, ensuring safe charging at the highest possible speed
- High-Speed Data Transfer: Transfer movies, music, or an entire photo library in seconds with 480Mbps transfer speeds
- Available in 1.2 and 2.2 meter length
- Worry-Free 2 Year Warranty

## Strong and Durable

Our DuraGuard® USB-C to USB-C cables are reinforced with Kevlar® core, nylon braided outer sheath, strain relief and strong aluminum connector housings. Our Kevlar® wraps around the outer cable as well as through the center of each inner cables core creating a very strong and durable design. This cable has been engineered for extreme durability and heavy everyday use that can withstand any twist, tug or tangle with 50,000 bends lifespan.

## Built in E-Mark Chipset

Our USB-C cable is designed with an E-Mark (electronically marked) chipset technology along with 5A cable with PD (power delivery) at maximum rates. Our USB-C cable provides 100 Watts of power transmission so easily it can charge your MacBook Pro 16-inch or any other mobile, tablet and laptops that uses USB-C power input from 5V/3A, then 9V/3A, 12V/3A, 15V/3A, and up to 20V/5A

## Supports High-Speed Charging

Pair with a 96W or greater USB-C charger to power up your MacBook Pro 16 inch in just over 2 hours. (Charger not included)

## USB-IF Components

Our cable is made with USB-IF components for flawless compatibility with all the USB-C devices, ensuring safe charging at the highest possible speed.

## Universal Compatibility

Regardless of the type of USB-C device you have, this cable will work with any USB-C device and can transfer movies, music, or an entire photo library in seconds with 480Mbps transfer speed.

### Specification:

- Part Number: X48910 1.2 Meter & X48920 2.2 Meter
- UPC Code: 694307489103 1.2 Meter
- UPC Code: 694307489202 2.2 Meter
- Input: USB-C
- Output: USB-C 100Watts/480Mbps transfer speed
- Color: Space Gray Aluminum Housing with Black Nylon Braided Cable
- Two (2) year warranty

### Compatibility:

- All MacBooks, MacBook Airs, and MacBook Pros that are equipped with USB-C Port
- iPad Pro and Air
- Galaxy Note 8/Note 10
- Galaxy S8/ S8+/ S9/ S10/S10+/S10e
- Google Pixel 3/3a/4 XL
- Google Nexus 6P
- Nintendo Switch

- Google Nexus 5X
- Lumia 950
- LG V20/G5/G6
- Xiaomi 5
- Huawei Mate20/Mate20 Pro
- Huawei P30/P30 Pro
- Huawei Matebook
