USB-C™ Charge, Sync and Video Cable
100Watts - 10Gbps - Fast Charge and Sync - 4K 60Hz Cable

- USB-IF certified
- Connect any USB-C enabled device to any other USB-C enabled devices for charging, syncing or transferring data
- Up to 5.0 Amp - 100 Watts output
- Designed using SuperSpeed USB 3.1 Gen 2 technology; providing data transfer rate of 10Gbps for faster transfer of files
- Bi-directional power delivery and extended battery life
- USB-C ports are reversible, so you don't have to worry about which side of the connector is up when you plug in the cable

Fast Charge and Sync
EZQuest's USB-C Cable is designed using SuperSpeed USB 3.1 technology, which minimizes wait time for charging and syncing devices transferring files and data. With data transfer rates of 10 Gbps, the technology enables movies to be downloaded in a little over a minute. Power delivery of up to 100 watts and with smart power management extends battery life by providing higher bandwidth and greater power efficiency for quick charge.

Bi-Directional Power Delivery
Smart USB-C 3.1, Gen 2 technology provides intelligent and flexible power management enabling laptops to provide high power delivery to battery powered devices. Bi-directional power delivery means that the device with the power can provide power and data at the same time. This optimizes power management by allowing each device to take only the power it requires, and to get more power when required.

Fast Streaming
With a 10Gbps data transfer rate, real-time streaming is clear and uninterrupted. There is no wait time required.

Reversible Connectors
The USB-C connectors are designed to be reversible, so you don't have to worry about which side of the connector is up when you plug in the cable.

USB-IF Certified
SuperSpeed+ USB certified means that this cable has been certified by USB-IF to meet all electrical, mechanical, and environmental standards, ensuring a superior user experience. USB-IF is a non-profit organization made up of companies that facilitate the development of high quality USB products and compliance testing.

Specification:
- Part Number: X40090
- UPC Code: 694307400900
- Connectors: USB-C to USB-C
- Thunderbolt™ 3 compatible
- Finish: White Cable
- Length: 1 meter/3.28 feet
- Output: Up to 5.0 Amp - 100 Watts
- Data Transfer Speeds: Up to 10Gbps
- Certification: USB-IF Certified
- One (1) year limited warranty

Compatibility:
- Compatible with any device equipped with USB-C or Thunderbolt™ 3 ports
- USB-C enabled chargers
- MacBook Pro 15-inch with USB-C/Thunderbolt™ 3 ports
- MacBook Pro 13-inch with USB-C/Thunderbolt™ 3 ports
- MacBook 12-inch with USB-C port
- Google Chromebook Pixel
- HP Spectre and HP Pavilion X2
- Dell XPS 13/15
- Lenovo Yoga 5 Pro
- USB-C ready computers
- Thunderbolt™ 3 ready computers
